CUTICLE SOFTENER CUTICLE-OFF CRISNAIL

Aloe Vera gel that gently removes dead skin cells from the cuticles while hydrating them. 75ml bottle with applicator nozzle

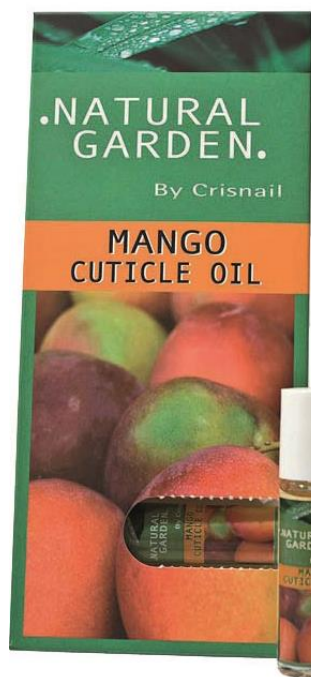

Aloe Vera offers several benefits: moisturizing, purifying, soothing, healing, anti-inflammatory, antibacterial...

Glycerin It has strong moisturizing properties due to its ability to retain several times its weight in water and provides an emollient effect.

Instructions for use Apply one drop to each cuticle, leave on, then remove cuticles.

MANGO CUTICLE OIL CRISNAIL

Rich in vitamins A & E, this oil nourishes, hydrates, and revitalizes the cuticles while stimulating nail growth.

Available in 30ml with a dropper for the professional size and in a rollerball format for the retail size in boxes of 9x10ml.

Mango Butter Oil Mango butter is a product rich in fatty acids with exceptional nourishing properties, and it is recommended for the care of nails and cuticles. Its nourishing and softening properties repair damaged nails. It also adds shine and hydration to dry and brittle nails. It is especially recommended for dry skin and dehydration.

MOISTURIZING HAND TREATMENT

A moisturizing treatment rich in nutrients that deeply penetrates the skin for maximum hydration and softness. An excellent retail product for spa clients to use at home between hand treatments. Helps treat chapped skin and dry or rough patches.

Instructions for use Apply glove, remove after 20 minutes and massage in any remaining lotion for a relaxing hand treatment

At BCL, we believe that people deserve to live a healthier and happier lifestyle, and that well-being is partly achieved through skincare.

Founded in 2011, BCL Spa was the first brand to offer a complete manicure and pedicure system with certified organic ingredients that promote unique experiences and exceptional results.

LEMONGRASS & GREEN TEA RANGE

All the benefits of a luxury manicure and pedicure experience, combined in four steps! Naturally treat skin imperfections and repair the appearance of sun damage for visibly improved radiance and texture. Soothe irritated skin while the natural antiseptic and astringent properties regulate excess sebum and minimize pores.

Lemongrass Natural antiseptic, regulates oil secretion, and tightens pores.

Green tea Neutralizes free radicals, repairs, and soothes skin damaged by the sun.

Lemongrass & Green Tea Sea Salt

Instructions for use Add two tablespoons to the manicure bowl or 1/2 cup to the foot bath. Soak for 5 to 10 minutes. Dry with a towel.

Lemongrass & Green Tea Sugar Scrub

Instructions for use Gently massage on damp skin until the sugar melts and the oils emulsify. Rinse and dry.

Lemongrass & Green Tea Mask

Instructions for use Apply generously and cover with a plastic protective bag, then apply a warm towel or mitten. Leave on for 10 to 15 minutes. Rinse and dry.

Lemongrass & Green tea Massage Cream

Instructions for use Apply to hands, feet, or body. Massage until fully absorbed.
